H THE UNFINISHED FILE

V. Musical notation for the first line of the song. It starts with a treble clef, a key signature of one flat (Bb), and a common time signature (C). The melody is written on a single staff. The lyrics are: "Close the file. I'll bring you back. One more fault be - neath the patch." The notation includes a Dm chord symbol above the first measure, a mezzo-forte (mf) dynamic marking below the first measure, and a fermata over the final note of the phrase.

Close the file. I'll bring you back. One more fault be - neath the patch.

V. Musical notation for the second line of the song. It continues the melody from the first line. The lyrics are: "Leave no weak - ness dressed as done. We stay here till it can run." The notation includes a fermata over the final note of the phrase.

Leave no weak - ness dressed as done. We stay here till it can run.

I FINAL WORD

V. Musical notation for the third line of the song. It continues the melody. The lyrics are: "Find what does - n't hold." The notation includes a Dm chord symbol above the first measure, a forte (f) dynamic marking below the first measure, and a fermata over the final note of the phrase.

Find what does - n't hold.

J FINAL HIT

V. Musical notation for the final line of the song. It consists of a single measure with a whole rest, followed by a double bar line.

PERFORMANCE NOTES

Entry and ending. Audio starts at bar 1, with no extra count-in. Sing "No" at bar 5 (0:09.23). Release the final "hold" at bar 54, beat 4 (2:04.04). Stay silent for the band hit at bar 55 (2:04.62).

Voice. Keep verses grounded and clear, open the chorus, and bring the bridge close. Roughness is optional; the notes and words carry the force. This key is a starting setting, not a requirement to strain for the top notes.

Breathing and holds. Breathe in the written rests. Sustain the vowel on long notes and close its final consonant at release. The tie on "hold" joins both notes into one syllable. Both choruses are written out; no repeats or extensions.

Rehearsal files. The pitch guide plays this melody with a synthesized tone. The rehearsal mix adds the existing backing stems with their lead synth reduced. Neither file is a sung performance. MIDI and MusicXML are included for editing or a separate vocal-synthesis pass.

Timing. 233 performed words; 1:42 of notated vocal sound across a 2:10 arrangement. The remaining time is written rests and instrumental space. This setting has not yet been auditioned by a vocalist.
